College Sport's Fantasy

Authors: Bella Myer, Sydney Flowers, Jake Kaplan, Vansh Nagpal, Vincent Moore

Problem Statement: College sports fans are interested in fantasy football, betting, scores, polls, and all things sports. Our solution should provide users with a way to compete online with other users with the sports and teams they love.

Who is experiencing the problem? College students and sports fans are experiencing this problem.

What is the problem? The problem is that there's college dedicated sporting app.

Where does the problem present itself? The problem presents itself in everyday life when college sports start up.

Why does it matter? It matters because college sports fans want the same experience that professional sports fans have.
